WITHOUT A BEAUTIFUL PLANET, THERE IS NO BEAUTIFUL GAME. FOR THE PLACES WE PLAY.

The planet is a playground. It's where we connect, explore, and find ourselves. From the start we have always been there for the athletes. But today, climate change is changing the way we play. That's why we're shifting our business to be there for the planet, too. Because we believe that through sports, we have the power to change lives. After all, without a beautiful planet, there is no beautiful game.

We're transforming our business to help reduce our impact.
And we're on a mission to innovate further.

We're creating pilot programs that continuously look for new ways in which we can extend the life of products and materials. And we're not doing it alone. We're teaming up with like-minded partners who share the same passion.

Since 2024, we've replaced virgin polyester with recycled polyester wherever possible.

By 2025, we're on track to reduce our carbon footprint by, on average,
15% per product, compared to 2017.

We're turning activity into action through Move For The Planet by working with our impact partners around the world to educate communities on climate change through sport.

And our ultimate goal is to be climate neutral by 2050.

FOR ALL SPORTS, FOR ALL TEAMS, FOR ALL PLAYERS.
